## **This is Salendine Nook High School Publication Scheme on information available under the Freedom of Information Act**

*The governing body is responsible for maintenance of this scheme.*

### **1. Introduction: what a publication scheme is and why it has been developed**

One of the aims of the Freedom of Information Act (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
- *The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is either available for you on our website to download and print off or available in paper form.

Some information which we hold may not be made public, for example personal information, i.e. no information published/provided should identify individuals.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

### **2. Aims and Objectives**

The school aims to:

- enable every child to fulfil their learning potential, with education that meets the needs of each child,
- help every child develop the skills, knowledge and personal qualities needed for life and work, and this publication scheme is a means of showing how we are pursuing these aims.

### **3. Categories of information published**

This publication scheme commits the school to make information available to the public as part of its normal business activities. The information covered is included in the classes of information mentioned below, where this information is held by the school. Additional assistance is provided to the definition of these classes in sector specific guidance manuals issued by the Information Commissioner.

The scheme commits the school to:

- To proactively publish or otherwise make available as a matter of routine, information, including environmental information, which is held by the school and falls within the classifications below.

- To specify the information, which is held by the school and falls within the classifications below.
- To proactively publish or otherwise make available as a matter of routine, information in line with the statements contained within this scheme.
- To produce and publish the methods by which the specific information is made routinely available so that it can be easily identified and accessed by members of the public.
- To review and update on a regular basis the information the school makes available under this scheme.
- To produce a schedule of any fees charged for access to information which is made proactively available.
- To make this publication scheme available to the public.

#### **4. How to request information**

Information held by the school that is not published under this scheme can be requested in writing, when its provision will be considered in accordance with the provisions of the Freedom of Information Act.

If you require a paper version of any of the documents within the scheme, please contact the school by telephone, email or letter. Contact details are set out below:

To help us process your request quickly, please clearly mark any correspondence **“PUBLICATION SCHEME REQUEST”** (in CAPITALS please)

If the information you’re looking for isn’t available via the scheme you can still contact the school to ask if we have it.

Compliance will be whichever is the shorter period:

- 20 working days following the date of receipt, excluding any day which is not a school day (this effectively equates to a period of 20 school days); or
- 60 working days following the date of receipt.

A ‘school’ day will be any day on which there is a session and the pupils are in attendance.

‘Working days’ exclude school holidays and ‘inset’ or training days where the pupils are not present.

#### **5. Paying for information**

Information published on our website is free, although you may incur costs from your internet service provider. If you don’t have Internet access, you can access our website using a local library or an Internet café.

Single copies of information covered by this publication are provided free unless stated otherwise in section 6. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos we will let you know the cost before fulfilling your request.
