Dear Parent/Carer

Harvest Festival 2023

We would be very grateful for contributions of tins and packets for our harvest collection, which will be donated to the Welcome Centre in Huddersfield and the Christian African Relief Trust also based in Huddersfield. Both charities have worked hard not only to provide food but other vital supplies too.

Our students, as you are aware, are grouped into Houses and in the week beginning 23rd October 2023 there will be Harvest House Assemblies where on each day we hope to see our donations increasing. Our Harvest appeal forms part of our House challenges. By the end of the week we will have seen how much each House has managed to contribute the most and win the challenge. I will then take all the donations to the donation centres in Huddersfield

This year in addition to tins and packets, we are asking for items of stationery, bars of soap, tubes of toothpaste, new toothbrushes, flannels, new bandages, plasters, new hairbrushes and combs.

Both charities do remarkable work and we are proud to be giving our support again this year.

We have in the past been able to send amazing amounts of produce to both these worthwhile causes.

We also ask our students if there is anyone they know in the local area who would benefit from a Harvest donation parcel could they also complete the reply slip below. The student who has requested a parcel can then deliver the parcel on behalf of our appeal.

Thanking you in advance for your continued support in helping our school make a difference in the lives of the needy.

Yours sincerely

Mr L Davies
Head of PME
