CAREERS NEWSLETTER

OPPORTUNITIES

Getting into medical school in the UK is hard because it's an incredibly competitive process. There are a limited number of spaces available at each medical school, and a high number of applicants each year. If you are considering applying to study Medicine in the future, we would recommend looking at the [Medic Mentor website](#) which includes resources and events split into 5 steps:

- Step 1: Research becoming a Doctor
- Step 2: Speak to Doctors
- Step 3: Participate in Medical Extracurricular activities
- Step 4: Learn about the Medicine Application Process
- Step 5: Seek Mentoring

UCAS have a range of resources to help you explore your Higher Education options, via both university and degree apprenticeships. Here's some of the features that you may find useful:

- [Industry Guides](#) - These take a deep dive into different industries to explore job roles, average salaries, pros/cons & FAQs.
- [Subject Guides](#) - These guides tell you where the subject could take your career, the number of vacancies available, entry requirements and what universities and employers are looking for when it comes to previous subjects.
- [Career Quiz](#) - By answering a series of questions, you will be matched to jobs and see what courses previous students studied to get there.
- [Unibuddy](#) - You can speak with current students studying subjects that interest you to find out more about their experience.
- [Apprenticeship Smart Alerts](#) - Get tailored opportunities direct to your inbox, based on your preferences. Just create a UCAS account, fill out a quick form, and begin your apprenticeship journey!
- [Student events](#) - At a UCAS event, you can talk to unis, colleges, employers and apprenticeship providers to compare all your options side-by-side.

EMPLOYER SPOTLIGHT

"Travis Perkins teams operate at the heart of the construction industry, trusted by the customers and suppliers who build and maintain the places that are important to millions of people. We're proud of where we have come from but it's where we go next that counts. Are you about to step onto the career ladder? We can help you pave the way into a great career."

You can read more about their careers [here](#).

UNI SPOTLIGHT

"Imperial is a world-leading university for science, technology, engineering, medicine and business (STEMB). Imperial harnesses the power of science, engineering, medicine and business to pursue discoveries with world-changing impact. Our students aren't just witness to this, they're working alongside us."

You can read more about Imperial College London's courses [here](#).
