Dear Parents/Carers

### Information to Parents

From Monday 3<sup>rd</sup> June until Friday 19<sup>th</sup> July due to expected warmer weather the school blazer will become optional. In cooler weather the blazer cannot be replaced with a coat, jumper or hoodie. As always the shirt and tie must be worn appropriately. In particular, shirts must be tucked in.

In September 2019 you will be aware that we are launching a House system for competitions, events and team building. All students will be placed in a House and current students will be provided with a new House tie free of charge. There will be no need to purchase a new tie for September. This will be provided on the first day back in the new school year. Further information regarding the House system will be provided in the end of year newsletter.

A reminder also that the mobile phone ban will be in effect from Monday June 24<sup>th</sup> 2019. Mobile phones, smart watches and headphones are banned from site during school hours.

Yours sincerely

**Mr D Christian**  
Principal
