Introduction

CEIAG is high on the agenda at Salendine Nook High School, and now, more than ever, as we deal with this unprecedented and unpredictable time, our students need to be equipped with the skills and knowledge to take tackle a challenging and fast-moving world of work.

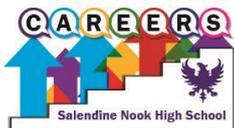

We are proud of the opportunities and careers-based enrichment activities that our students take part in but these will have to be adapted in light of the COVID19 pandemic.

While many of our in-house programmes can remain, it is unclear what restrictions will be in place this academic year for visiting speakers, and for work place and Post 16 and Post 18 education visits. Additionally, getting time away from the classroom may be challenging, as there has been a lot of "lost" face to face learning time.

KJS COVID19 Careers Recovery Plan

The following table includes a summary of the different careers enrichment opportunities provided for students, parents and carers with details of the adaptations planned.

Careers based activities	Details	Adaptions planned
Year 10 Work Experience – July 2021	The Year 10 cohort are due to complete one week of work experience. Face to face placements for 2021 are not set to go ahead again due to the pandemic.	A virtual work experience package is being considered for 2021 which will contain various activities and videos that will feature the world of work. Details of the C&K package to still be confirmed.
Careers Fair – March 2021	SNHS holds an annual event where different Post 16 and Post 18 education establishments plus businesses and apprenticeship providers attend. This is aimed at Years 9, 10 and 11.	We are still hoping to go ahead with this event and are inviting education/business establishments into school. C&K Careers will be running two virtual events with education and apprenticeship providers that we can also use alongside this event if it does/doesn't go ahead face to face.
